13:00 – 17:00	DETRA Workshop on International Cooperation DETRA “Developing the European Transport Research Alliance”, is a 28-months European Commission’s funded project that started in June 2010 (more information is available at http://detra.fehrl.org). Part of the DETRA work aims to examine the overall status of the European Research Area (so called ERA) for international transport research, which is complementary to EUTRAIN activities. While EUTRAIN will set an overall framework, DETRA workshop will present examples of best practices. The draft agenda and objectives of this workshop are provided hereafter.
